

# At Amerigroup Community Care, we are committed to helping families and their communities.

We are in 13 states. We serve more than 2 million people through our health plans. In Florida, we offer Florida Healthy Kids (FHK), Medicaid, a Long-Term Care Nursing Home Diversion program and Medicare.

Today, we have over 60,000 FHK members. We want to help keep them healthy. That is why we offer these great benefits:

- 
- No copay to see a primary care provider
  - Free annual checkups or school physicals
  - Amerigroup On Call: Access to a 24-hour Nurse HelpLine and physician consultations to answer your medical questions day and night
  - \$10 every month for certain personal care items and over-the-counter medicines
  - Allergy bedding: Up to \$100 toward the purchase of hypoallergenic bedding
  - Healthy Families program: Six months of fitness and healthy behavior coaching for ages 7–13
  - Free mouthguards for members involved in contact sports
  - Specialized case management for pregnant members
  - A large group of providers

We offer outstanding benefits and service in your community. And we offer them in your language.
