NOTICE OF CONTRACT AWARD

Qsource

Any party who is substantially affected by FHKC's intended decision to award a contract must electronically file a written notice of intent to protest with FHKC within seventy-two (72) hours after FHKC posts the Notice of Contract Award on its website, excluding weekends and FHKC holidays. A substantially affected party is any party who submitted a proposal for the services that are at issue in the protest.

The substantially affected party must file a formal written protest within five (5) business days after the date of its notice of intent to protest is filed. The formal written protest must be accompanied with a protest bond in the amount of one percent of the contract amount.

The notice of intent to protest, formal written protest, and any required bond or other security must be timely filed with the issuing office at issuingoffice@healthykids.org.

Failure timely file a notice of intent to protest and formal written protest with bond shall constitute a waiver of proceedings and waiver of any rights to contest FHKC's intended decision.
