Creative Contest for Students is Back

The annual Act-Out For Health Contest is back for students in grades 4th through 12th to compete for great

**act-out
for health**

prizes and bragging rights

Depending on what grade they are in, students can design a billboard, write an essay or create a 30-second commercial PSA. Have your children visit www.actoutforhealth.org to see what they can compete for.

Act-Out for Health is a great way for students to show off their creative side while supporting a great cause. Winners will have their original PSA appear on TV, their billboard design showcased in their hometown and the creative essay presented at a statewide press conference. Either way, the possibilities are endless.

There is also a [Facebook Fan Page](#) with great tips, information and trivia. Encourage your children to apply no later than **Friday, January 6, 2012**.

One less worry
for parents.

A brighter future
for kids.

Renewal Process Easy as 1, 2, 3

Once a year every family enrolled in the Florida KidCare program must renew their child's coverage. Thanks to new updates, the process will be easier than ever before for many families.

Previously, you had to review your renewal application to make sure the basic information was correct; then you had to provide proof of income, any unemployment compensation and citizenship. Now, because of a partnership with the Florida Department of Revenue and the

Agency for Workforce Innovation, this information will be filled in for you if we receive your current information electronically from these state agencies. Then, all you will need to do is **1-** review it for accuracy, **2-** sign it and **3-** send it in! Easy as 1, 2, 3!

Please note, that if DOR or AWI is unable to provide current income, any unemployment compensation and citizenship information; or if you have changes, you will still need to submit the appropriate documentation for renewal.

As a reminder, you can submit your renewal application one of four ways:

- ⇒ **Online:** [Log into your account](#) to complete the online renewal form.
- ⇒ **By Mail:** Florida KidCare, Attention: RENEWAL, P.O. Box 591, Tallahassee, Florida 32302-0591
- ⇒ **By Fax:** Toll-free Fax 1-866-867-0054; Fax for Renewal Department (850) 681-2131
- ⇒ **By Email:** at applyrenew.healthykids@acs-inc.com (see [website](#) for acceptable email attachment formats). Preferred file type is .JPG *We cannot accept images over 10 MB. If the images are going to be over 10 MB please zip the files.*
