

Does Your Child Need Health and Dental Insurance?

Through Florida KidCare, the state of Florida offers health insurance for children from birth through the end of age 18, even if one or both parents are working.

When families apply for the insurance, they are assigned to the appropriate Florida KidCare program based on age and family income:

- MediKids (subsidized and full-pay): 1-4 years
- Florida Healthy Kids (subsidized and full-pay): 5-18 years
- Children's Medical Services (CMS): birth-18 years, with special health care needs
- Medicaid: age-based eligibility tied to Federal Poverty Level

All Florida KidCare programs, including Florida Healthy Kids, cover doctor visits, checkups, immunizations, surgeries, prescriptions, emergencies, dental care and more.

Many Florida KidCare families pay as little as \$15 a month – and many other families pay nothing at all. Families that do not qualify for subsidized coverage can still utilize the full-pay option.
